

Scientific Name	Common Name	Notes
<i>Agaricus californicus</i>	Mock meadow mushroom	Near roads and disturbed areas
<i>Amanita franchetii</i>	Yellow ring Amanita	
<i>Amanita muscaria</i>	FlyAgaric	
<i>Amanita pachycolea</i>	Western Grisette	
<i>Annulohyphoxylon thouarsianum</i>	Crampballs	Growing on dead oak
<i>Boletus edulis</i>	King Bolete	
<i>Chalciporus piperatus</i>	Peppery Bolete	
<i>Chroogomphus vinicolor</i>	Wine Colored Pine Spike	
<i>Clavulinopsis laeticolor</i>	Orange Fairy Fingers	On dead oak branches
<i>Clitocybe dealbata</i>	Sweat-Producing Clitocybe	
<i>Collybia cookei</i>	Collybia	Growing in bunches on pineduff
<i>Cortinarius croceus</i>		
<i>Cryptoporus volvatus</i>	Cryptic Globe Fungus	Growing on dead pine
<i>Dendrocollybia racemosa</i>		12/31/12
<i>Entoloma serrulatum</i>		
<i>Exida gladulosa</i>	Black Witch's Butter	Growing on dead pine
<i>Gymnopilus sapenius</i>	Common Gymnopilus	Growing on wood chips
<i>Gymnopilus spectabilis</i>	Laughing Gym	Growing in clumps on dead pine
<i>Hygrophoropsis aurantiacus</i>	False Chanterelle	
<i>Hygrophorus inocybiformis</i>		
<i>Hypholoma fasciculare</i>	Sulfur Tuft	Clustered on pine log
<i>Laccaria amethysteoccidentalis</i>	Amethyst Gilled Laccaria	
<i>Laccaria laccata</i>	Lackluster Laccaria	Growing in grass near forest edge
<i>Lenzites betulina</i>	Gilled Polypore	Growing on dead oak
<i>Lepiota cristata</i>	Brown-Eyed Parasol	
<i>Lycoperdon perlatum</i>	Common or Gemmed Puffball	In grassy areas
<i>Marasmiellus candidus</i>		
<i>Marasmius androsaceus</i>	Horsehair Fungus	In pine needle duff
<i>Marasmius calhouniae</i>	White Spot	In pine needle duff
<i>Marasmius plicatulus</i>	Pleated Marasmius	Red stalk
<i>Mycena leptocephala</i>	Pine Needle Pinwheel	In pine needle duff, chlorine smell
<i>Mycena maculata</i>	Reddish-Spotted Mycena	On fallen pine

<i>Mycena pura</i>	Lilac Mycena	
<i>Mycena purpureofusca</i>	Pine Cone Mushroom	On Monterey pinecones
<i>Phaelous schweinitzii</i>	Dyer's Polypore	At base of pine
<i>Phellinus pini</i>		12/31/12
<i>Pleurotus ostreatus</i>	Oyster Mushroom	On oaks
<i>Pycnoporellus alboluteus</i>	Orange Crust Fungus	Crust on dead pine log
<i>Rhizopogon ochraceorubens</i>	False Truffle	Emerging from earth/grassy areas
<i>Russula amoenolens</i>	Russula	Yellow-brown cap
<i>Russula cremoricolor (emetica?)</i>	Russula	Red cap/white stalk
<i>Stereum hirsutum</i>	False Turkey Tail	Growing on dead oak
<i>Suillus fuscotomentosus</i>	Slippery Jack	Under Pines
<i>Suillus granulatus</i>	Granulated Slippery Jack	Under Pines
<i>Suillus pungens</i>	Pungent Slippery Jack	Under Pines
<i>Trametes versicolor</i>	Turkey tails	Growing on dead oak
<i>Tremella mesenterica</i>	Witches butter	Growing on dead wood
<i>Trichaptum abietinum</i>	Purple Turkey Tail	Growing on dead pine
<i>Trichia varia</i>	Slime Mold	Growing on dead pine
<i>Tricholoma muricatum</i>	Red-Brown Tricholoma
